Welcome to New Manchester!!

Ms. Dawn Schmidt has joined the fanatical fifth grade team of teachers this year. Ms. Schmidt will be teaching math to Team A.

A few reminders about fifth grade:

1. Homework is essential for success. Students who do not complete homework will have to complete it during their recess time and/or lose eagle tickets.
2. Students are not allowed to chew gum at school.
3. Agendas must be signed nightly. This is the main source of communication between parents and teachers.
4. Your child should read at least 20 minutes at home each night. When possible, read with your child and have them read to you. Students are responsible for keeping up with their own reading logs. Parents are to sign the log each night that the student reads at home.
5. Attendance is another essential component for success at school. Please make sure that your child is on time each day and if they do need to miss school that they make up all assignments.
6. E-mail is a convenient way to communicate with your child's teacher. Please do not hesitate to use the address above to contact your child's teacher with questions or concerns.
